Vester Banner III is an award-winning screenwriter & filmmaker. He's been writing scripts since 2010. He entered his first feature script in a screenwriting contest which made it into the top 100. Since then two of his shorts have gone on to win multiple awards and be in multiple film festivals around the world. He is currently working on an animation series along with two live-action feature films and several short films in post-production. Recently he launched his production company Banner Day Productions.
